For any billing month, once the traffic plan quota is reached, the service will be reduced to 64K/64K for the rest of the billing month.

Once off set up fee is \$132 for a new service, or \$66 for an active service with another provider (subject to Churn Agreement). Set up service does not include on-site connection and DSL modem/router. The set up fee and the first 3 months of service are required to confirm the order. Service fee is charged every 3 months in advance with a minimum contract of 6 months. Termination after the minimum contract period requires at least 30 days of notice in writing (email from the billing email address is acceptable).

Freeway Bonuses:

- 5 free e-mail mailboxes @accsoft.com.au protected by server-side anti-virus and anti-spam filters
- 1 free web site with 10 MB at www.accsoft.com.au/~userid
- A secondary dial-up connection with national roaming for \$16.95/month, a saving of \$13 (note 1)
- Fixed IP if required will cost \$3.30/month (note 2)

Note 1: The dial-up connection can be accessed from 66 metro/regional locations in Australia. Each connection lasts up to 3 hours.

Note 2: Accsoft reserves the right to change the fixed IP with a 3-day notice.

For contract details, please refer to the Terms and Conditions on the application form and our Acceptable Use Policy at www.onmyweb.net/order/aup.htm. Using the Accsoft Broadband Services by yourself, your family, your staff or any people having access to such services is an indication of your acceptance of the Terms and Conditions and the Acceptable Use Policy.

- Use of the service is subject to Accsoft Internet Service Acceptable Use Policy.
- Contract of 6 months, automatically renewed every 3 months afterwards unless a written notice of termination is provided at least 1 month before the current term expires.
- Payment of the installation fee and the first 3 months of service fee are required to confirm the order.
- Payment in advance every 3 months. Invoice will be issued 14 days before the current term expires. If payment is not received 7 days before the expiry date, the service may be suspended without notice at Accsoft's sole discretion. The customer is liable for the invoiced payment even if the service is suspended.
- 1 MB is defined as 1,000,000 bytes and 1 GB is defined as 1,000 MBs for the purpose of pricing and billing.
- You may change the speed and usage plan at the end of each 3-month term. An \$66 charge will apply for each change.
